Weekly Prayers for March 2021

Prayer for the week of March 7, 2021: Oh God, give us humble and contrite hearts to confess the many ways we do not follow Your commands. Open the eyes of our hearts that we may see the wonderful things in Your law. (Ps. 119:18) Thank You for Your forgiveness, freely given to us at the cost of Christ's life.

Prayer for the week of March 14, 2021: Dear Lord, give us a thirst for spending time with You through prayer and Bible study. We ask that Your Word would dwell in us richly and that our lives would more and more reflect Your glory.

Prayer for the week of March 21, 2021: Gracious Father, stir our hearts to use the gifts You've given us for service to those around us. Open our eyes to ways we can show our neighbors how deep Your love is for all Your children.

Prayer for the week of March 28, 2021: Loving and Almighty God, as we reflect on the events of this week, we are amazed by Your immeasurable love for us, shown in the suffering and death of Your Son, Jesus. We give thanks and praise that Jesus' sacrifice redeemed us from our sin to bring us to everlasting life with You.
