

A Bible Study from the LCMS Northern Illinois District

Incarnate Community Weekly Summary Announcements

Before the Study Begins

The excitement is building as we count down the days to our launch of the Bible study, Incarnate Community. This study was produced by our own Northern Illinois District and congregations throughout the district are participating in this study at the same time as we are! In week one of the study, we're going to look at how God designed us from creation to be in community. We'll also see how sin tears community apart and what our Lord promises to do to restore community through Jesus. Mark your calendars, invite a friend, and be sure to join us for the launch of Incarnate Community!

Preview of Week Two

Our launch of the Bible study, Incarnate Community, gave us the chance to look at how our Lord designed humanity to be in community. Have you ever thought about what it would have been like to be part of the crowd at one of Jesus' miracles? Or what Jesus' physical presence meant to those who surrounded Him? Join us for week two of Incarnate Community as we examine major events in Jesus' earthly ministry from a community perspective.

Preview of Week Three

Our study, Incarnate Community, continues to bless us to come together around God's Word and understand what God's gifts are to us when we are an "in-person" community of faith. This week, we'll explore that as our Lord brings us into His redeemed community by His death and resurrection, He also shapes us by His grace and sends us personally into a world that needs the touch of His mercy. You won't want to miss week three of Incarnate Community!

Incarnate Community Weekly Summary Announcements

Preview for Week Four

Have you ever imagined the reality of eternal life? Have you ever wondered why our Lord hasn't simply returned and brought us the final blessing of life everlasting? In our final week of Incarnate Community, God will share with us a biblical look at eternity as well as a poignant look at what Jesus does in welcoming the world to His celebration for finding the lost until He comes again. We'll also ask ourselves, "how does Incarnate Community ready us to also welcome the "outsider" into fellowship with our Lord?"
