Greetings in the Name of our Risen Lord,

As you know I have accepted a call to Iowa District West to serve as Assistant to the President for mission, stewardship and Human care. With that call, I ask for a peaceful release from my call here in NID.

I would like to thank the Northern Illinois Board of Directors for calling me twelve years ago to join you in the mission work here in NID. It has been an amazing decade-plus of God-lead ministry impact for God and His Kingdom. You took a chance on a raw parish pastor and gave me the training and support to grow into this position. I know you will provide the same level of support and prayers to the next one entrusted with this amazing task.

As a Board, you courageously lead this district to adapt and carry forth the vision of then-President Dan Gilbert of New Starts...New Believers. Now God and the convention has blessed you with a new leader in President Allan Buss. I pray that you will adapt, support and help advance the new vision God has laid on his heart as he leads NID into the next chapter of ministry. You will be in my prayers. Please pray for us as we transition to our next chapter.

In the Service of an Awesome God,

Rev. B. Keith Haney, (Romans 10:14-15)

"And how can they believe in the one of whom they have not heard?"
