Weekly Prayers for October 2024

Prayers for the week of October 7, 2024: Lord of the Church, we give You thanks and praise for the men and women whom You have called to serve in Your Church. Look with mercy upon our professional church workers, and grant them every gift they need to serve You well in their calling. In Jesus' name we pray. Amen.

Prayers for the week of October 14, 2024: Almighty and Everlasting God, we thank You for the families of our Lutheran Church—Missouri Synod church workers. Guard their hearts and minds against the devil's influence as they support and encourage their loved ones in the ministry You've called them to. In Jesus' name we pray. Amen.

Prayers for the week of October 21, 2024: Lord of the Church, we thank You for using our churches and schools to share Your love and grace with people in our communities. We pray for our professional church workers and lay people, that they would work together in mutual respect and thereby model living in harmony with each other. In Jesus' name we pray. Amen.

Prayers for the Week of October 28, 2024: Gracious Lord, as we observe the Reformation, we give You thanks for Martin Luther, who by Your Holy Spirit proclaimed that it is through Jesus' work of redemption alone that we have a saving relationship with You here on earth and in eternity. Bless all pastors with Your Spirit to joyfully proclaim that same Gospel. In Jesus' name we pray. Amen.
