

Convention Sponsorship Opportunity

Greetings in Christ!

As an exhibitor at the LCMS Northern Illinois District (NID) Convention, we invite your organization to join with our congregations in supporting the initiative for the convention offering – *Raising Up: Workers of the Word*.

This initiative is intended to gather funds to increase district scholarship dollars for the men and women who hear the Lord calling them to full-time church work. The Lutheran Church—Missouri Synod notes that the number of ordained and commissioned ministers is declining.

We need church workers to help pass on the Christian faith from one generation to the next. You can help! Below is a list of suggested sponsorship levels as well as the additional benefits your organization will receive.

Bronze Level - \$100

- Your organization's name and logo is listed in Today's Business. Your logo is linked to your website.

Silver Level - \$250

- Your organization's name and logo is listed in Today's Business. Your logo is linked to your website.
- A PowerPoint slide rotates on a loop that all convention attendees see during breaks. Your organization creates the slide and submits it for approval.

Gold Level - \$500
