Synod bylaw 5.2.2 says “(e) Immediately following the circuit forum, the circuit visitor shall report in writing the results of the selection process to the secretary of the district in preparation for ratification by the district convention. (f) In the event that a circuit visitor has not been selected by a circuit forum or has been selected but is no longer available to serve, thus resulting in no circuit visitor selection being included on the convention slate of circuit visitors for a circuit, the district president shall make the selection, which selection shall then be included on the convention slate of circuit visitors. (g) The convention shall have the right to alter the slate by amendment. (h) The convention shall then ratify the slate of circuit visitors, which ratification shall constitute election.”
