Education Update

Lois Stewart, Mission Facilitator for Schools,
Serving Commissioned Workers

“Jesus said, ‘Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these’” (Matthew 19:14).

We give thanks for the school year that has come to a close. May all workers in our Northern Illinois District schools and ministries replenish their energies with some rest this summer.

Our schools and ministries have dedicated time, energy, and faith to sharing the love of Jesus. They prayerfully planted the seed for the Holy Spirit to take hold and make disciples for life through God’s plan. We celebrate with new brothers and sisters in Christ through Baptism, programs in church, and so much more. To God be the glory for the gift of service!
