Education Update

Lois Stewart, Mission Facilitator for Schools,
Serving Commissioned Workers

Walcamp is providing outdoor ministry where Creation is Explored, Christ is Exalted, and Christians are Equipped for service back home and beyond. They have expanded programming in many ways over the course of several years, adding areas of interest on the property as well.

One new program is a series of three “Navigation Retreats.” High school youth from different congregations have attended and participated in Bible Study, self-reflection, fellowship, outdoor activity, and more.

After attending part of a Saturday retreat, I can say that God is richly blessing this new program as it blesses those in attendance. We give thanks for the various types of programming at Walcamp Outdoor Ministries which all add to the vast offerings of education in the LCMS Northern Illinois District.
