**Option 1 – Amount of planned NID offering that is UNRESTRICTED \$ \_\_\_\_\_**

Unrestricted offerings are the fiscal foundation for our work together in the NID. District leadership uses the offerings to enable our ministry together for local mission outreach and for NID services/operations (including ecclesiastical oversight and bylaw required services). The NID remits 20% of these offerings to The Lutheran Church—Missouri Synod (LCMS).

**Option 2 – Amounts of planned NID offerings that are RESTRICTED**

Some congregations prefer to make their own decisions for how their offering is designated. Please use the lines below for that purpose.
