“Oh, magnify the LORD with me, and let us exalt his name together!” Psalm 34:3 ESV

All of our Northern Illinois District schools begin and end each day in prayer to our Heavenly Father. In those prayers, we hear words that glorify God as our Father who cares for and loves us dearly.

It is a joy to know that each school gathers weekly for chapel. Many times, teachers and students lead these services and have the opportunity to witness their faith to others as they magnify the name of God! Hearing the children sing songs of praise and read the Bible to others warms the heart.

May all of our ministries live what Psalm 34:3 says. Exalt God’s name in all ways and share His Word! Be filled with the joy that comes from God!
