FACILITIES

Convention sessions will be held in the main gym at Concordia University Chicago, located in River Forest, Illinois. Convention displays will be located in the small gym adjacent to the convention hall. Boxed lunches are provided in the main cafeteria of the Koehneke Center at the times indicated on the convention schedule. There is no housing available on-site at Concordia. A block of rooms has been set aside at the Hampton Inn & Suites – Rosemont – Chicago/O’Hare for anyone who may want housing. Arrangements are on your own. Directions to Concordia are on the District’s website (www.nidlcms.org) if needed. Parking is free; access to the parking garage is on Bonnie Brae Street on the east side of campus.

FLOOR COMMITTEES

There are four Floor Committees for this Convention: 1) Word, 2) Wellness, 3) Witness, and 4) Elections. Members of the Floor Committees have been appointed from those who were registered as convention delegates at the time, as required by Synod Bylaw 3.1.7 (c) (16 weeks before the start of the convention).

FLOOR COMMITTEE OPEN HEARINGS

Floor Committee sessions will be announced. The Floor Committee session is not for debate, only for providing additional information to guide the Floor Committee in doing its work.

The Floor Committees study all **overtures** for action submitted to the convention by congregations, District boards, circuit forums, and pastors' and teachers' conferences. On occasion the Floor Committee will present as a **resolution** for adoption the overture just as it has appeared in the Convention Workbook. On other occasions the overtures will be combined, modified, amended, or declined. All voting or advisory delegates may speak to any of the resolutions on the convention floor by approaching one of the microphones and awaiting their turn to be recognized by the chair.

These Floor Committees will appear before the convention according to the daily schedule to offer resolutions to the assembly regarding their specific area of work. The convention assembly will then act on the resolutions presented.

In order to save additional time, **even though each “whereas” is technically part of the resolution, we have asked the Floor Committees (if it’s possible) to read only each “resolved” at their presentation. The assumption is that all delegates will individually and carefully review the entire overture.** The number of overtures is not overwhelming. We ask for your careful preparation.

We **sincerely thank the Floor Committees** for their diligence, their churchmanship, their flexibility, and their effort — and for doing it all in a timely fashion.

PROCEDURES

Unless specific rules and procedures are indicated by the District Bylaws or Synod Handbook, “Robert’s Rules of Order” is followed throughout the convention. Most especially, we who are in this assembly are governed by the **“law of Christian love.”**

The chairman will try to see to it that the agenda and daily schedule are followed as closely as possible. That is sometimes very difficult. We will need the cooperation of everyone! Our Floor Committees will each have time on both days of the convention. We want to fulfill our work efficiently, to the Glory of God, as a clear and loving witness to the Church and the world, and so some discussion will take more time than other issues. **All speakers will limit their remarks to a “two-minute-or-less” time period.** To help further expedite things, after both sides of a question have been heard thoroughly, we invite any voting delegate to take his/her turn at the microphone to **“call the question.”** (Simply calling out “question” from the floor is not recognized.) The motion to “call the question” is simply a motion to stop debate.

It is not debatable, requires no second, and requires a two-thirds vote of the assembly. If carried, it ends debate and the motion in question goes to an immediate vote.

Discussion will be done in a pro/con mode. This means that those in favor of the resolution will go to the odd-numbered microphones and those opposed will go to the even-numbered microphones.

When you are ready to speak at one of the microphones, please state your **name** and the **name and location of your congregation** (or administrative unit).

Regarding **“substitute motions,”** the District operates with the so-called “Behnken Rule” as observed by Synod. If a substitute motion is offered, the convention will first decide by majority vote whether or not to consider the substitute. If the decision is in the affirmative and the substitute motion is adopted, the original motion fails; if the “substitute motion” does not receive favorable action, the original motion is again before the convention.

Please understand that all resolutions have been prioritized by the respective Floor Committees. Resolutions not acted upon by the convention before adjournment die (unless specially dealt with by the convention in another way).

As you know, the purpose of all “parliamentary procedure” is to carry out the wishes of the assembly in an orderly and fair manner. Further, the procedures are to be used to expedite business and to ensure that the will of the majority will prevail. We know you will exercise your individual privileges faithfully, charitably, wisely, and well. Thank you for that.

ELECTIONS

Time will be spent at the convention in electing the District President, Vice Presidents, and Secretary, ratifying Circuit Counselors, and electing the members of the District’s Board of Directors, the Board of Regents of Concordia University Chicago, and the 2025 District Nominations Committee.

Since we will vote by electronic machine – and since time will be limited – we ask that you read and study the information on candidates before the voting session, spending time in prayer, and seeking that God’s will be done. You will find the information in **Section #3, “Elections” and Section #4, “Nominations” in your Convention Workbook.** You then will vote from your heart and with your conscience. May God bless us as we elect – and may God bless those who are elected.

EVALUATION

We are interested in your evaluation of this convention. Within several days of the closing of convention we will email a brief survey form to all delegates. You will be asked to rate various things and also have the opportunity to share your comments. We invited you to do this at past conventions, and we received many excellent and constructive suggestions. Thank you for taking the time to help make our next convention better.

OUR THANKS

Thank you to the SO MANY PEOPLE who have made such a great effort to cause this convention to be a blessing. At the risk of missing many, we would simply mention the devotion and Bible study leaders, staff, and musicians of Concordia, our Board of Directors, committees and staff of District ... and YOU.

STANDING RULES of the 2025 NID Convention

3 1. ELECTRONIC DEVICES. Only recording devices approved by the President shall be
4 permitted. Mobile phones and pagers shall be kept in non-audible mode; vocal
5 phone conversations shall not be permitted.

6 2. CREDENTIALS. Delegates, guests and staff shall wear official badges during all
7 convention functions.

8 3. VOTING. Votes will normally be made with electronic keypads. At the discretion of
9 the chair, votes may be taken by voice, rising vote, voting cards, or standing
10 counted vote.

11 4. Nominations from the floor shall be seconded and a majority vote shall add the
12 nominee to ballot.

13 5. MOTIONS - RESOLUTIONS - OVERTURES

14 a. Motions to amend a resolution or to offer a substitute resolution shall be
15 submitted in writing in triplicate.¹

16 b. Only voting delegates may make or second motions.

17 c. Floor Committee Resolutions

18 1. Omnibus A, B and C² resolutions shall be disposed of before taking up Floor
19 Committee resolutions.

20 2. Floor Committee representatives shall read only an overture's *resolving*
21 *clauses* unless, in the judgment of the committee, each *whereas clause* should
22 also be read.

23 3. Floor Committee resolutions not taken up during the convention fall to the
24 ground.

25 4. In connection with resolutions adopted during the convention, the
26 Constitution Committee shall be authorized to correct punctuation and
27 grammar and to make other technical and conforming changes as may be
28 necessary to reflect the intent of the delegates, including applicable
29 modifications to section designations and cross references in the bylaws.

30 6. DEBATE - DISCUSSION

31 a. Motions may be made from any microphone, however those speaking in favor of
32 a motion shall do so at the odd numbered microphones and those opposed shall
33 speak at the even numbered microphones.

¹ One copy each for the presiding officer, secretary, and parliamentarian.

² Prior to the convention, Floor Committees submitted certain overtures for Omnibus A, B and C consideration. The secretary consolidated them into one resolution for each category. The Floor Committees used Synod rules: A - when certain overtures should be presented first to a District Board or Committee (before asking the District Convention to take action); B - when certain overtures have been given adequate and appropriate response by a previous District or Synodical Convention, and C. - when the Floor Committee chooses to decline the overture.

- 34 b. Members seconding a motion need not go
35 to the microphone nor be recognized by the chair.
36 c. After recognition, a delegate shall state his or her name, congregation and
37 location or the administrative unit represented. If applicable, members shall
38 preface remarks with “I speak for/against the motion.”
39 d. Debate shall be limited to two (2) minutes per speech and twice to each motion,
40 the second time only after all who wish to speak have done so, except that Floor
41 Committee members have unlimited time provided Rule 6e does not apply.
42 Extension of these limits shall require a two-thirds vote.
43 e. If a substitute motion is moved and seconded, the framer shall have two (2)
44 minutes to speak for consideration and a Floor Committee member shall have
45 two (2) minutes to speak against consideration. Without further debate,
46 delegates shall vote whether to consider the substitute; a majority is required to
47 adopt. If the substitute is subsequently adopted, the original motion is not
48 considered. If the substitute motion is (a) not considered or (b) is considered
49 and not adopted, the original motion is then considered.³
50 f. The *previous question* (call the question) may only be made by a delegate who
51 rises solely for this purpose.

52 THE PARLIAMENTARY AUTHORITY AND A HIGHER AUTHORITY. The rules contained
53 in the current edition of *Roberts Rules of Order Newly Revised* shall govern the
54 convention in all cases to which they are applicable and in which they are not
55 inconsistent with the Constitution and Bylaws of the Lutheran Church—Missouri
56 Synod, the Bylaws of the Northern Illinois District, and these convention standing
57 rules. Above all, the rules of Christian love shall govern the convention.

³ This procedure is an adaptation of the “Behnken Rule” for substitute motions.

1 **Parliamentary Procedure Basics**

(RONR = *Robert's Rules of Order Newly Revised*, 12th edition)

2 **PURPOSE.** The purpose of parliamentary procedure is to carry out the wishes of the
3 assembly in an orderly manner, to expedite business, and to insure fairness to all
4 – the majority, the minority, individual members, absentees, and the organization
5 as a whole. (RONR p.xlix)

6 **AGENDA.** The chair will attempt to follow the printed agenda as closely as possible.

7 **MOTIONS.** A main motion (or overture or resolution) is how business is brought to
8 the assembly. Secondary motions normally take precedence over main motions
9 and generally help the assembly resolve a main motion.

10 **SECONDING A MOTION.** “A *second* merely implies that the *seconder* agrees that the
11 motion *should come before the meeting* and not that he necessarily favors the
12 motion.” (RONR p. 4:11) A motion “made by direction of a ...committee of the
13 assembly requires no second from the floor...” (RONR p. 4:11) While the proposed
14 Standing Rules require that nominations from the floor be seconded, normally a
15 second is not needed. (RONR p. 46.6)

16 **DEBATE.** One person speaks at a time and one motion is debated at a time. Unused
17 time does not transfer.

18 **SECONDARY MOTIONS.** Listed below are some common secondary motions:

- 19 A. **AMEND.** A *primary* amendment proposes to improve a main motion or make it
20 more likely to be adopted. A *secondary* amendment proposes to amend a
21 primary amendment. A *tertiary* amendment is not permitted. (In other words,
22 amending an amendment is permitted, but beyond that is not.) To propose an
23 amendment, a voting delegate may say, “*I move to amend by ...*”
24 1. “...*striking...*” simple words, a sentence, a paragraph, or several
25 paragraphs.
26 2. “...*inserting...*” (in front of or within the motion) or “...*adding...*” (at the
27 end of the motion) simple words, a sentence, a paragraph, or several
28 paragraphs.
29 3. “...*striking and inserting...*” simple words within a motion. Use
30 “...*substituting...*” for a sentence, a paragraph, or several paragraphs.
- 31 B. **REQUEST FOR INFORMATION** need not be seconded and is in order any time
32 except during a vote. A delegate may call out without recognition, “Mr.
33 Chairman, I have a *request for information*,” and wait to be recognized. (A
34 *request for information* replaces *point of information* in some earlier editions of
35 RONR; the earlier phrasing was too often misused to *provide* rather than to
36 *request information*.)
- 37 C. **PREVIOUS QUESTION.** (CALL THE QUESTION) Voting delegates may *move the*
38 *previous question* on any pending motion. Wait in line and say after recognition
39 (name, church, location), “I *move the previous question*.” (“I call the question.”)
40 It must be seconded, is not debatable and requires a $\frac{2}{3}$ vote. If *the previous*
41 *question* is adopted, debate stops and a vote is taken on the pending motion.
- 42 D. **POINT OF ORDER** is in order anytime rules may have been broken, need not
43 be seconded, and ordinarily must be made at the time of an infraction. A voting

44 delegate may call out without recognition, “Mr. Chairman, *point of order!*” and
45 wait to be recognized.

46 E. **CALL FOR ORDERS OF THE DAY.** If the time has arrived for an agenda item,
47 a voting delegate may call out without recognition, “Mr. Chairman, I *call for*
48 *orders of the day!*” Orders of the day must be adhered to unless the assembly
49 sets them aside with a $\frac{2}{3}$ vote.

50 **UNANIMOUS CONSENT.** “In cases where there seems to be no opposition...time can
51 often be saved by using...*unanimous consent*” without the formality a motion.
52 (RONR p. 4:58) The chair states “If there is no objection to...,” followed by the
53 proposed action, and then pauses. If no member objects, the action is decided. If
54 any member objects by calling out, “I object!” the chair must state the motion and
55 put it to a vote.

56 **MINUTES.** Minutes are “the official record of the proceedings” of the convention.
57 (RONR p. 48.1) The Board of Directors is scheduled to approve the minutes of the
58 convention at its June meeting.
